Guys, I took the discussions we had on Friday and converted it into a paper that can hopefully be used for briefing up the chain. However, before I share with anyone above me, I'd like you guys to take a look at it to make sure I captured everything accurately. If you could get back to me with comment by early afternoon today I'd appreciate it. If we then need a follow-up call to refine anything, we can do so. Thanks, den.
